A quick learner who is adaptable, curious, and always eager to explore new technologies. Passionate software engineer starting as a Java Developer and upskilling in Spring Boot to become a full stack developer. Achieving objectives through effective teamwork.

## SKILLS

<b>Tools and Languages</b>	Core Java, C, C++, Python, SQL, Git
<b>Web Development</b>	HTML, CSS, JS, Angular JS
<b>Technologies</b>	Spring Boot
<b>Key Skills</b>	OOPs Design, Data Structures and Algorithms
<b>Quantitative Research</b>	PLSQL, Data analysis with Pandas Dataframes
<b>Data Analytics</b>	Power BI

## EXPERIENCE

<b>Intern</b>	<b>Oct 2023 — Nov 2023</b>
Tech Fortune	Bengaluru

- Gained hands on experience with Angular JS and Node JS, focusing on building dynamic web applications and robust server-side solutions.
- Developed interactive single-page applications using Angular JS and implemented scalable backend services with Node JS.

<b>Intern</b>	<b>Jul 2024 — Dec 2024</b>
Anudip Foundation	Bengaluru

- Developed interactive dashboards in Power BI visualizing trends, leading to more data-driven decision making.
- Presented findings and recommendations to senior management, influencing strategy changes that resulted in measurable performance improvements.

## EDUCATION

<b>Bachelor of Engineering</b> , East West Institute of Technology	<b>2021 - 2025</b>
Computer Science Engineering	<b>Cgpa-9.02</b>

## PROJECTS

<b>News Summarizer</b>	<b>Jul-2024</b>
------------------------	-----------------

- A user-interface website, that will dynamically generate summarized news from Google.
- It has search options for trending and favorite topics.

<b>LPG Gas Leakage using IoT</b>	<b>Jan-2025</b>
----------------------------------	-----------------

- Built an IoT-based LPG leakage detection system with real-time alerts.
- Enabled mobile notifications for quick response and safety.

## ADDITIONAL COURSES AND CERTIFICATION

- |   |                  |
|---|------------------|
| • Introduction to Machine Learning                                    | <b>NPTEL</b>     |
| • Introduction to Internet of Things.                                 | <b>NPTEL</b>     |
| • Deep Dive into Python Libraries with Machine Learning Applications. | <b>Indoskill</b> |
